

## ATTENTION SPECIAL EDUCATION DIRECTORS...

You are invited to the...

### **2016-2017 “Regional Chats” with the Interim Chief Academic Officer, Dr. Isabelina Rodriguez**

Dates and Topics are still being planned. Let us know if your district is willing host a session. Some sessions will also be held at the CSDE/SERC building in Middletown this year to encourage Directors to attend several sessions.

Like last year, additional time will be built-in for conversation to address questions that Directors may have or to seek guidance specific to the role of the Special Education Director. Please Note: This will not be limited to the “chat” topic.\*
